

Roanoke Cyber Suite

Exclusive Cyber and Data Security Coverage for Logistics Professionals

Finally, an affordable cyber insurance solution specifically tailored to the needs of logistics professionals.

Today's Cyber Risk Landscape

Cyber criminals act without warning; the devastating effects to data and system losses from computer attacks cause significant out-of-pocket recovery costs and organizational downtime.

As of late, cyber attackers have shifted their attention to the logistics industry with five and six figure loss amounts becoming the norm. Now more than ever, getting the right cyber protection in place is critical for your business.

Critical and Affordable Coverage

Roanoke Cyber Suite is a comprehensive cyber insurance solution designed to help transportation intermediaries, customs brokers and other logistics professionals, respond to a full range of cyber incidents, and including:

- Breach of personal information
- Network security liability including breach of third party business data
- Threat of intrusion/interference with computer systems
- Damage to data/systems from computer attacks
- Cyber related litigation
- Cyber extortion costs including your payments to eliminate such threats

Roanoke Cyber Suite Coverage

Misdirected Payment Fraud

A first party social engineering coverage designed to respond when an insured is tricked into sending money to a fraudulent destination.

Computer Fraud

A first party coverage where an unauthorized party gains access, and uses that access to enter or alter data, causing money to be sent to a fraudulent destination.

Data Compromise Response Expense Coverage

Provides the resources to respond to a breach of personal information.

Computer Attack Coverage

Provides resources to respond to a computer attack.

Cyber Extortion Coverage

Covers payments made by you in response to a cyber extortion threat for the purpose of eliminating the cyber extortion threat.

Data Compromise Liability Coverage

Provides defense and settlement costs in the event of a lawsuit related to a breach of personal data.

Network Security Liability Coverage

Provides defense and settlement costs in the event of a lawsuit alleging that a system security failure on the part of the insured caused damage to a third party including breach of business information.

Electronic Media Liability Coverage

Provides defense and settlement costs in the event of a lawsuit alleging the insured infringed on a copyright or trademark, defamed a person or organization or violated a person's right to privacy.
