

PUBLIC ADVERTISEMENT FOR FMCSA FORM BMC-84 BOND CLAIMS

Statutory provisions resulting from enactment of Public Law 112-141 (also known as “Moving Ahead for Progress in the 21st Century Act” or “MAP–21”) require sureties issuing bonds to property brokers and freight forwarders to take certain steps when a bond principal experiences “financial failure or insolvency.” The requirements include, among other things:

- Giving of notice of bond cancelation (termination)
- Public advertisement for claims for 60 days, beginning on the date of publication by the Secretary of Transportation of the notice to cancel financial security
- Payment of uncontested claims received during such period or payment of pro rata shares of such claims if the total amount of such claims exceeds the financial security available not later than 30 days after the expiration of such period

Pursuant to the foregoing, AMERICAN ALTERNATIVE INSURANCE CORPORATION (“Surety”) gives notice:
