

Logistics CargoSUITESM

The Place Where Logistics and Insurance Meet

Welcome to the Logistics CargoSUITESM, a tailored insurance experience developed exclusively for our clients. In the Logistics CargoSUITESM our clients will find all the tools they need to build a successful cargo insurance program.

Logistics CargoSUITESM Amenities

Roanoke's Unique Suite of Tools to Cover You at Every Turn

S SUPPORT

- Our team of insurance professionals are responsive, reliable and qualified to support all aspects of your cargo insurance program.
- In-house claims experts help guide you through the claims process and advocate for you and your clients.
- Our internal subrogation team keeps your loss ratio and insurance rates low by recovering monies from responsible parties after your claims get paid.

T TECHNOLOGY

- Our Web-based platform enables your employees to create insurance documents, run on-demand reports, and file and obtain status on claims.
- Built-in policy details, real time updates, and automated screening ensure your compliance on every transaction.

E EDUCATION

- Our online learning platform Knowledgeport™ offers on-demand flexibility to maximize your employees' time.
- Live training sessions tailored to meet your objectives give employees the ability to ask questions and participate in real life exercises.
- Cargo Insurance e-SSentials is our proprietary ebook designed to be the go-to resource for all your cargo insurance questions.

U UNDERWRITING

- Driven by your specific needs, we will provide broad coverage at competitive pricing, focusing on your clients' products and exposures.
- Strong partnerships with multiple insurers mean Roanoke can build the best program for you.

I INFORMATION

- Quick reference guides, topical white papers and other media for your employees.
- Marketing materials customized with your branding give your team the tools they need to offer insurance and your clients the knowledge they need to accept your offer.

Roanoke's Logistics
CargoSUITESM Is More Than
An Insurance Policy,
IT'S A STRATEGY FOR SUCCESS.

About Roanoke

Roanoke Insurance Group Inc., a Munich Re company, is a specialty insurance broker focused on surety bond and insurance solutions for logistics service providers, customs brokers and companies managing supply chains. Founded in 1935, Roanoke was the first provider of customs import bonds as well as the first appointed ATA Carnet provider in the United States. Roanoke has decades of partnership with the trade community as a trusted provider of insurance, surety bonds, ATA Carnet products and specialty services.
